

## **Nathy Peluso - La Passione**

```
When I'm with you
                             tom:
                                                                   Db7
                Ab
Intro: Estoy triste, estoy triste
                                                                 When you're away
[Primeira Parte]
                                                                 I wanna be with my baby
      I've been thinking about
                                                                 Dh7
                                                                                      Gb7
