

# Nazareth - Moonlight Eyes

Tom: G

Moonlight eyes I see you smile  
 It lightens up my night  
 Your smile takes all the fight out of me  
 Moonlight eyes I hear you cryin'  
 It robs me of my pride  
 There's nothing I can hide from moonlight eyes  
 I got no control  
 You just roll me like the sea  
 Oh moonlight eyes  
 Moonlight eyes you're grown now  
 I'll soon be out of touch  
 You'll lose that innocence  
 That cost so much  
 Moonlight eyes you'll find your pain  
 You'll say that I'm all wrong  
 There'll always be a place where you belong

I got no control  
 You just roll me like the sea  
 Oh moonlight eyes  
 Tell your sweet lies only to me, only to me  
 Moonlight eyes you soothe me  
 Moonlight eyes you're easy on my soul  
 Moonlight eyes you are the reason  
 The meaning in the words  
 The words to every song I've ever heard  
 Paralysed in sweet surprise  
 Your every wrong is right  
 One look into your night  
 Oh moonlight eyes  
 I got no control  
 You just roll me like the sea  
 Oh moonlight eyes  
 Tell your sweet lies only to me, only to me  
 Moonlight eyes.
