

# Nazareth - Rain On The Window

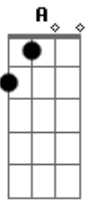

tom:  
 Round About Midnight  
 I Feel The Chill Closin' In  
 Living My Stage Fright  
 I Need The Sun To Begin - Tomorrow  
 Thinking about My Life  
 And All The Changes She Made  
 And When She Went Running Out  
 All The Colors Fade - To Midnight  
 What A Bad Week I've Had  
 There's Rain On The Window  
 What A Bad Week I'm Sad  
 There's Rain On My Window  
 ( D A )

Will I Be Staying  
 Or Am I Moving In  
 Am I Still Standing  
 I've Gotta Wait - She's Choosing  
 What A Bad Week I've Had  
 There's Rain On The Window  
 What A Bad Week I'm Sad  
 There's Rain On The Window  
 When The Sun Comes Up  
 It Dries That Rain On The Window  
 When The Sun Comes Up  
 It Dries That Rain On The Window  
 When The Sun Comes Up  
 It Dries That Rain On The Window  
 [Final] D A
