

Nazareth - Star

Tom: C
Intro: 2x: G D C D7

G D
Walkin' alone at night in the cold rain
C
Wond'rin if I will see you again
D
In some corner light
G D
Runnin' down the road in the warm sun
C
Dreaming that I am still the one
D
Resting by your side

A C
You took the road to fortune and fame
G D
Your name in lights
A C
I want you to know I still feel the same
G D A
Star....., I still love you
C F Am7
I still love you
Solo 2x: G D C D7

G D
Remembering when you played me that first song
C
The first show that you asked me along
D
Just to be around
G D
Workin' so hard till you got that first break
C
You said you could turn them around
D
Give them something new

A C
You took the road to fortune and fame
G D
Your name in lights
A C
I want you to know I still feel the same

G D A
Star....., I still love you
C F Am7
I still love you

F C
Got that photograph of you and me
Bb F
I hear your voice on the radio
G C
Will I ever lay with you again

Solo 2x: G D C D7

G D
Nobody planned it we just seemed to drift now
C
I always seem to have to leave
D
Just as you come around

G D
But someday soon girl I just got to see
C
I just gotta find out
D
If we still have time

A C
You took the road to fortune and fame
G D
Your name in lights
A C
I want you to know I still feel the same
G D A
Star....., I still love you
C F Am7
I still love you

F C
Got that photograph of you and me
Bb F
I hear your voice on the radio
G C
Will I ever lay with you again
