Yeah yeah, yeah yeah  
Yeah yeah, yeah yeah  
Yeah yeah, yeah yeah yeah

Ooh is something about  
Just something about the way she move  
I can't figure it out  
It's something about her

Say, ooh is something about  
Kinda woman that want you but don't need you  
Hey, I can't figure it out  
It's something about her

'Cause she walk like a boss  
Talk like a boss  
Manicure nails just set the pedicure off  
She's fly effortlessly

And she move like a boss  
Do what a boss  
Do, she got me thinking about getting involved  
That's the kinda girl I need (oh)

[chorus]  
She got her own thing  
That's why I love her  
Miss independent  
Won't you come and spend a little time  
She got her own thing  
That's why I love her  
Miss independent  
Ooh, the way you shine  
Miss independent

Yeah yeah, yeah yeah  
Yeah yeah, yeah yeah  
Yeah yeah, yeah yeah yeah(ohh)

Ooh there's something about  
Kinda woman that can do for herself  
I look at her and it makes me proud  
There's something about her

Something oh so sexy about  
Kinda woman that don't even need my help  
She said she got it, she got it (she said she got it, she got it)  
No doubt, there's something about her (there's somethin' about her)

'Cause she work like a boss  
Play like a boss  
Car and the crib she 'bout to pay 'em both off  
And bills are payed on time, yeah  
She made for a boss  
Slowly a boss  
Anything less she telling them to get lost  
That's the girl that's on my mind

[chorus]  
She got her own thing  
That's why I love her  
Miss independent  
Won't you come and spend a little time  
She got her own thing  
That's why I love her  
Miss independent  
Ooh, the way you shine  
Miss independent, yeay

[bridge]  
Her favorite thing to say, don't worry I got it  
And everything she got best believe she bought it  
She gon' steal my heart ain't no doubt about it, girl  
You're everything I need  
Said you're everything I need

Yeah yeah, yeah yeah  
Yeah yeah, yeah yeah  
Yeah yeah yeah

She's got her own thing (oooooohhhoh)  
That's why I love her (that's why I love her, oh ohh)  
Miss independent (independent)  
Won't you come and spend a little time (ohh)  
She's got her own thing (she got, she got)  
That's why I love her (that's why I love that girl)  
Miss independent (ohh ohh)  
Ooh, the way you shine  
Miss independent

Miss independent  
That's why I love her
