

Neck Deep - Parachute

Tom: B
Intro: B Gb E

B
It's another day
Gb E B
Wanna get away from here
Gb E
There's a plane up on a runway
Db
Gonna run away from here
E
'Cause the rain is so terribly dull
Db
And it bores me
E Em
Yeah misery adores me

B
I wanna break out and get away
Abm
I wanna just try and live for me
Gb
'Cause if we don't try we won't believe that we could have had
E
it

B
I wanna let go, and fall for you
Abm
And when it gets rough, be your parachute
Gb
I wanna do the things you only read about
E
Are you ready?

B Gb E
I'm done with small town politics
B
I need to make my way to where the action is
Gb E
I'm done with it, so the question is
E
Are you coming with?
Db
'Cause baby, if you like, I'll take you there
E
Imagine all the places we could go to disappear
Db
Or we could turn the light off and go back to bed
E Em
Stair at the stars at your ceiling and pretend that we're

somewhere else

B
I wanna break out and get away
Abm
I wanna just try and live for me
Gb
'Cause if we don't try we won't believe that we could have had
E
it
B
I wanna let go, and fall for you
Abm
And when it gets rough, be your parachute
Gb
I wanna do the things you only read about
E
Are you ready?

Abm B
We don't need a god to take a leap of faith
Gb
Listen when I say that if we don't try
E
Then we won't believe

B
I wanna break out and get away
Abm
I wanna just try and live for me
Gb
'Cause if we don't try we won't believe that we could have had
E
it

B
I wanna let go, and fall for you
Abm
And when it gets rough, be your parachute
Gb
I wanna do the things you only read about
