

Neck Deep - Wish You Were Here

Tom: C

apotraste na 1ª casa [Intro] A E D2

A E
Take it slow, tell me all how you've grown
D2

Just for me, could we all reminisce?

A E
Better yet, here's a pen, make a list
D2

Fill it full of all the things I've missed

E
Cause I could barely drive past the school
Gbm Dbm

Without stopping to think of you
D2

And how we used to act the fool

E Gbm Dbm
But worst of all I wish I'd called at least a thousand times
or more
D2

Just to hear, what I've been missing

A E
If a picture is all that I have
D2
I can picture the times that we won't get back
Gbm

If I picture it now it don't seem so bad
E A

Either way, I still wish you were here
E

Don't say everything's meant to be
D2

Cause you know it's not what I believe
Gbm

Can't help but think that it should've been me
E

Either way I still wish you were here

(A E D2)

D2 A E
Thinking back on the days when we all used to say
D2

"I know anywhere's better than here"

A E
In the back of the class, where we grew up too fast
D2

Living life like there's nothing to fear

E Gbm Dbm
But the ice on the road, driving home all alone
D2

Singing along to a song from three summers ago

E Gbm
The one that made you remember it
Dbm D2

Now I'll always remember it

E A
As the song that your life ended with

A E
If a picture is all that I have
D2

I can picture the times that we won't get back
Gbm

If I picture it now it don't seem so bad
E A

Either way, I still wish you were here
E

Don't say everything's meant to be
D2

Cause you know it's not what I believe
Gbm

Can't help but think that it should've been me
E

Either way I still wish you were here
(Gbm)

Gbm D2 A
And they say you're in a better place
Gbm

But a better place is right here with me
D2 E

Yeah, they say you're in a better place
A

Too bad it's not what I believe

E
Cause a picture is all that I have
D2

To remind me that you're never coming back
Gbm

If I picture it now it just makes me sad
E

And right now I just wish you were here

(A)

E
Don't say everything's meant to be
D2

Cause you know it's not what I believe
Gbm

Can't help but think that it should've been me
E

In the end I still wish you were here

Gbm D2 A
Yeah, they say you're in a better place
E

Either way I still wish you were here
Gbm D2 A

Cause they say you're in a better place
E

In the end, I just wish you were here

(A)
