Needtobreathe - More Heart, Less Attack

Tom: C

```
С
                     G
Be the light in the cracks
      F
                          С
Be the one that's mending the camel?s back
     G
                       Am
Slow to anger and quick to laugh
    F G
                       C
Be more heart and less attack
     С
                    G
Be the wheels not the track
      F
                   C
Be the wanderer that's coming back
  G
                          Am
Leave the past right where it's at
   F G
                       C
Be more heart and less attack
(Am G F C)
(Am C)
(G F)
```

```
C G
The more you take, the less you have
F C
'Cause it?s you in the mirror that's starin? back
```

Acordes

G Am Quick to let go, slow to react F G Be more heart and less attack С Ever growing, steadfast F С And if need be, the one that's in the gap G Am Be the never turning back F G C Twice the heart any man could have (Am G F C) (Am C) (GF) С G Be the wheels not the track F C Be the wanderer that's coming back G Am Leave the past right where it's at F G Be more heart and less attack F G Be more heart and less attack
