

# Negritude Junior - Amor no Elevador

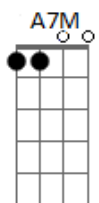

tom:

Intro: A7M D7M A

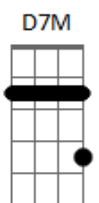

Todo dia eu te via, passeando de shortinho  
 Exibindo o umbiguinho, me deixando muito louco  
 Outro dia na piscina, você me jogou um beijinho  
 Eu fiquei amarradinho, mas achei que isso foi pouco  
 Quando eu menos esperava, numa noite de calor  
 Fui tomar uma gelada, encontrei no elevador você  
 Foi aí que de repente, nos olhamos diferente

Atiçou nosso desejo, (e foi aí)  
 Que rolou aquele beijo  
 Então explodiu o amor  
 Entre nós dois  
 No elevador, ôôôôôôôôôô  
 Então explodiu o amor  
 Entre nós dois, ahhh  
 No elevador
