Tom: G
Intro: G7 Am7 D G7 D

G7
Eu não vejo a hora
De me encontrar com você
Essa noite a gente vai ficar juntinho
Amor não demora
Que eu to louco pra te ter
Te cobrir inteira com o meu carinho
Vem logo pra cá
Que noite tá muito legal

Cm7 G G7
Só de imaginar tanta paixão
Eu passo mal
Cm7
Ai que bom vai ser
Quando pra nós o amor acontecer
(REFRÃO)
Hoje eu não quero nem saber
A gente vai se namorar
É nossa noite de prazer
O mundo pode até parar
