

Nei Lisboa - Babalú

tom:

E

E

Sempre que eu me sinto legal (Babalú)

Levando uma vidinha sincera

Ela parece que se importa

Esconde atrás da porta o meu bourbon

E mente pro pai dela que eu tô bom

E sempre quando eu fico pinel (Babalú)

Jogando pratos pela janela

Ela então desaparece

Esquece que eu existo até o natal

E diz pro mundo inteiro que eu sou mau

[Refrão]

Tudo é melodia, tudo tem seu dia

Tudo um mero acaso

Eu quase que caso e que caio do altar

Tudo é melodrama, tudo fantasia

Tudo um caso sério

Tudo que é lindo desmancha no ar

E sempre quando eu volto ao normal

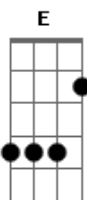

Compreendo que o amor é traiçoeiro

Jamais esquecerei dos seus cabelos

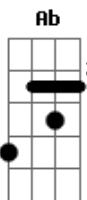

Cachos e novelos

Entupindo o ralo do chuveiro
