 "He's not your kind."  
 Am  
 They never get tired of putting me down  
 Am  
 And I'll never know when I come around  
 G F  
 What I'm gonna find - Don't let them make up your mind  
 Don't you know  
 Am D G Am  
 Girl, You'll be a woman soon

Am D G G  
 Please, Come take my hand  
 Girl, You will be a woman soon  
 So you will need a man  
 Am

 Am  
 But what they're saying girl it cuts like a knife  
 G

 Am  
 Well I've finally found what I'm a looking for  
 Am  
 But if they get their chance they'll end it for sure  
 G F

 Now it's up to you
