

Neil Young - After The Goldrush Solo

Tom: D

I'm not going to do a tab of the whole song as there is already a perfect tab up. However it is missing the solo entirely so I thought I'd tab it as it sounds great and is super easy.

Horn arr. For guitar

Acordes

I am 100% sure of the accuracy of the tab so if it sounds wrong, your playing it wrong. Please rate this tab ${\sf J}$
