For an easy kill

At the house the door was wide open
Wind blew curtains off the rod
She was waiting and hoping
She was praying to her god

He was luckier than most men
He was barely in his prime
As she stood there in the doorway
Her long dress flowing
Would he make it this time

[solo]

Over the hill in the big green country
That's the place where the cancer cowboy rides
Pure as the driven snow before it got him
Sometimes I feel like he's all right

Sometimes I feel like a piece of paper
Sometimes I feel like my own name
Sometimes I feel different later
Sometimes I feel
I feel just the same
