

Neil Young - California Sunset

Tom: F
Intro: Bb F C F

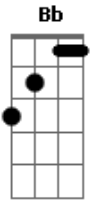

I remember long ago
How I wondered where I'd go
While the blizzards, cold wind and snow
Pounded outside my window
California sunset

Going down in the West
All the colors in the sky
Kiss another day goodbye
Land of beauty, space and light
Land of promise land of might
You're my home now and it's true
California, here's to you
California sunset
Going down in the West
All the colors in the sky
Kiss another day goodbye
