

# Neil Young - Differently

Tom: **G**

(intro)

(verse)

**Em**  
Wish you told me by and by,  
**Am**  
That my life would come to this,  
**Em**  
That I'd have to find a way  
**Am**  
To let things go,  
**Em**  
That my friends would turn to foes,  
**Am**  
And my love would come to blows,  
**Em**  
Then I would have done some things  
**Am**  
Differently.

(chorus)

**G**  
Differently  
**C**  
I would ask you out every night  
**G**  
Differently  
**C**  
And I would make you feel so good.  
**G**  
Differently  
**C**  
And appreciate the things that you bring to me, babe  
**G**  
Differently  
**C**  
Oh yes I would, oh yeah.

(verse)

Yeah I know you tried and tried  
But your signal I just missed  
When you said my little girl would soon be gone.  
Yes I didn't hear you then  
And it might be too late now  
That's another thing I'd do  
Differently.

(chorus)

Differently  
Like trying to make you feel loved every day  
Differently  
And saying little things to let you know how I feel  
Differently  
Yes I can hear your young voice calling me babe  
Differently

(refrain)

**Em**  
When I'm away I call you up  
**D**  
And you don't seem to miss me as much  
**C** **G** **D**  
But I know our love is still there in your heart  
**D**  
Just differently.

(intro 2x)

(chorus)

Differently  
Oh yes, I can hear your young voice calling me, babe  
Differently  
Oh yes I can.  
Differently  
I'd appreciate the things that you bring to me babe, yes I would  
Differently  
Oh come on back to me babe bring your love back to me  
Differently  
Oh yeah I need your love, I need your love.  
Differently  
Yes I can tell you babe, I need your love.  
Differently  
Today is a brand new day, yes it is.  
Differently  
Got to get your love back, babe, come on now bring it back to me.  
Differently  
Turn it around babe, turn it around and bring it back.  
Differently  
Yeah, yeah, oh yeah, got to get your love back, come on babe.  
Differently  
Yeah I can hear your young voice calling me babe.  
Differently  
Come on back to me, come on back, yeah yeah, turn it around.  
Differently  
Oh yes I can, yes I can.  
Differently.
