

# Neil Young - Harvest

Tom: **D**

Intro: [D] [A] [D] [A] [D] [A]

[D]

Did I [D]see you [A]down in a [G]young girl's [D]town with your mother in so much [A]pain?

I was [G]almost [A]there at the [Bm]top of the [E]stairs with her [D]screamin' in the rain

[D]Did she wake you [A]up to [G]tell you [D]that it was only a change of [A]plan?

[G]Dream up, dream [A]up, let me [Bm]fill your [E]cup with the [D]promise of a man.

And was [G]some black [A]face in a [Bm]lonely [E]place when [D]you could understand?

Did she [D]wake you [A]up to [G]tell you [D]that it was only a change of [A]plan?

[G]Dream up, dream [A]up, let me [Bm]fill your [E]cup with the [D]promise of a man

Well I [D]see you [A]give more than [G]I can [D]take? Well I only harvest [A]some?

As the [G]days fly [A]past will we [Bm]lose our [E]grasp or [D]fuse it in the sun?

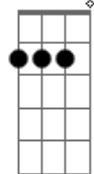

Did she [D]wake you [A]up to [G]tell you [D]that it was only a change of [A]plan?

[G]Dream up, dream [A]up, let me [Bm]fill your [E]cup with the [D]promise of a man.

Did I [D]see you [A]walking [G]with the [D]boys though it was not hand in [A]hand?

## Acordes
