

Neil Young - Let's Impeach The President

Tom: G

G D G

Let's impeach the president for lying
Em G D G

and misleading our country into war,
G G G G

abusing all the power that we gave him,
G D G G

and shipping all our money out the door.

G D G

Who's the man who hired all the criminals,
Em G D G

the White House shadows who hide behind closed doors,
G D G G

and bend the facts to fit with their new stories,
G D G G

of why we have to send our men to war?

G D G G

Let's impeach the president for spying
Em G D G

on citizens inside their own homes,
G D G G

breaking every law in the country,
G D G G

tapping our computers and telephones.

G D G G

What if Al Qaeda blew up the levees,
Em G D G

would New Orleans have been safer that way,
D G D G

sheltered by our government's protection
D G D G

or was someone just not home that day?

G D G G

Yeah, let's impeach the president for hijacking
D G D G

our religion and using it to get elected,
D G D G

dividing our country into colors,
D G D G

and still leaving black people neglected.

G D G G

Thank God he's cracking down on steroids,
D G D G

since he sold his old baseball team,
D G D G

there's lot of people looking at big trouble,
D G D G

but of course our president is clean!

G D G G

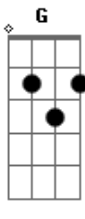

Thank God, thank God ! Thank God, thank God!

G D G G

Thank God, thank God, thank God, yeah, yeah, thank God!
