

# Neil Young - Let's Impeach The President

Tom: G

Let's impeach the president for lying  
 and misleading our country into war,  
 abusing all the power that we gave him,  
 and shipping all our money out the door.  
 Who's the man who hired all the criminals,  
 the White House shadows who hide behind closed doors,  
 and bend the facts to fit with their new stories,  
 of why we have to send our men to war?  
 Let's impeach the president for spying  
 on citizens inside their own homes,  
 breaking every law in the country,  
 tapping our computers and telephones.  
 What if Al Qaeda blew up the levees,

would New Orleans have been safer that way,  
 sheltered by our government's protection  
 or was someone just not home that day?  
 Yeah, let's impeach the president for hijacking  
 our religion and using it to get elected,  
 dividing our country into colors,  
 and still leaving black people neglected.  
 Thank God he's cracking down on steroids,  
 since he sold his old baseball team,  
 there's lot of people looking at big trouble,  
 but of course our president is clean!  
 Thank God, thank God ! Thank God, thank God!  
 Thank God, thank God, thank God, yeah, yeah, thank  
 God!
