 Looking for a leader to bring our country home

**Em**  
 Reunite the red, white and blue before it turns to stone  
**C** **G**

 Lookin' for somebody young enough to take it on  
**Em** **D**  
**Em**  
 Clean up the corruption and make the country strong

Walkin' among our people there's someone who's straight and strong  
 To lead us from desolation and a broken world gone wrong  
 Someone walks among us and I hope he hears the call  
 And maybe it's a woman or a black man after all

Maybe it's Obama but he thinks that he's too young  
 Maybe it's Colin Powell to right what he's done wrong

America has a leader but he's not in the house  
 He's walkin' here among us and we got to seek him out

Yeah we've got our election but corruption has a chance  
 We got to have a clean win to regain confidence  
 America is beautiful but she has an ugly side  
 We're looking for a leader in this country far and wide  
**Em**  
**D** **Em**  
 We're looking for a leader with the Great Spirit on his side  
**Em** **D**
