Lost in space
               F
                        Bb
I heard you were lost in space
          Gm
                        С
That's such a lonely place
          FC
For you to be
Bb
         С
Out of control
          F
                    Bb
Singin' with too much soul
        Gm
I heard you got out on parole
               FC
Workin' for the queen
          F
Gardening again
C
          F
Landscape again
Bb
        C C
                                 F
                                      С
Keeping all the grounds around her clean
            F C
Workin' for the queen
solo:
 Bb
              С
                           F
                                      Bb
           Gm
                          С
                                           FC
Bb
                  C
Don't take out the magic pan
```

```
Out on the ocean floor
          Bb
                               F
                                      Bb
What could be stranger than the unknown danger \bar{-}
                       F
That lies on the ocean floor
Bb
                   С
Breakers crash on the beach
                F
                               Bb
I count them like lambs in my sleep
                 Gm
They come at me steady
                  C
They know I'm not ready
                F
                            C
They pound on my mattress door
[no chord]
Have they got a big one in store
Bb
      C
Losing you
            F
                     Bb
I heard I was losing you
              Gm
That's not the only thing
        F
That I got to lose
        F C
I got to lose
               F C
The deep sea blues
               FC
Look at these blues
                     FC
I got the deep sea blues
(Solo as above)
        F C
I got to lose
               F C
The deep sea blues
               FC
Look at these blues
                     FC
I got the deep sea blues
```

Don't draw on the infinity board

Your buildings if they rise again

Would do much better on the ocean floor

They'll never feel the way they did before
