Motion pictures on my TV screen,
G E7
A home away from home, livin' in between
D D7M D7 G
But I hear some people have got their dream.
E7
I've got mine.

D D7M D7
I hear the mountains are doin' fine,
G E7
Mornin' glory is on the vine,
D D7M D7
And the dew is fallin', the ducks are callin'.
E7
Yes, I've got mine.

D D7M D7
Well, all those people, they think they got it made
G E7
But I wouldn't buy, sell, borrow or trade
D D7M D7
Anything I have to be like one of them.
E7
I'd rather start all over again.

D D7M D7
Well, all those headlines, they just bore me now
G E7
I'm deep inside myself, but I'll get out somehow,
D D7M D7
And I'll stand before you, and I'll bring a smile
E7
to your eyes.

D D7M D7
Motion pictures, motion pictures.
