 Motion pictures on my TV screen,  
 G E7  
 A home away from home, livin' in between  
 D D7M D7 G  
 But I hear some people have got their dream.  
 E7  
 I've got mine.

D D7M D7  
 I hear the mountains are doin' fine,  
 G E7  
 Mornin' glory is on the vine,  
 D D7M D7  
 And the dew is fallin', the ducks are callin'.  
 E7  
 Yes, I've got mine.

D D7M D7  
 Well, all those people, they think they got it made  
 G E7  
 But I wouldn't buy, sell, borrow or trade  
 D D7M D7  
 Anything I have to be like one of them.  
 E7  
 I'd rather start all over again.

D D7M D7  
 Well, all those headlines, they just bore me now  
 G E7  
 I'm deep inside myself, but I'll get out somehow,  
 D D7M D7  
 And I'll stand before you, and I'll bring a smile  
 E7  
 to your eyes.

D D7M D7  
 Motion pictures, motion pictures.
