 Motion pictures on my TV screen,
 G E7
 A home away from home, livin' in between
 D D7M D7 G
 But I hear some people have got their dream.
 E7
 I've got mine.

D D7M D7
 I hear the mountains are doin' fine,
 G E7
 Mornin' glory is on the vine,
 D D7M D7
 And the dew is fallin', the ducks are callin'.
 E7
 Yes, I've got mine.

D D7M D7
 Well, all those people, they think they got it made
 G E7
 But I wouldn't buy, sell, borrow or trade
 D D7M D7
 Anything I have to be like one of them.
 E7
 I'd rather start all over again.

D D7M D7
 Well, all those headlines, they just bore me now
 G E7
 I'm deep inside myself, but I'll get out somehow,
 D D7M D7
 And I'll stand before you, and I'll bring a smile
 E7
 to your eyes.

D D7M D7
 Motion pictures, motion pictures.
