Oh, hello Mr. Soul, I dropped by to pick up a reason

I'll cop out to the change, but a stranger is putting the tease on.

I was down on a frown when the messenger brought me a letter

I was raised by the praise of a fan who said I upset her

Any girl in the world could have easily known me better

She said, You're strange, but don't change, and I let her.

In a while will the smile on my face turn to plaster?

Stick around while the clown who is sick does the trick of disaster

For the race of my head and my face is moving much faster

Is it strange I should change? I don't know, why don't you ask her?
