2. Peace and love only a ride  
 Strength is gone dying inside  
 Tell me now what did you find  
 Found love in the people livin' in a sacred land  
 Found love in the people, peace and love  
 (intro riff)

3. Found love, found hate saw my mistake  
 broke walls of pain to walk again,  
 I saw the dream, I saw the wake  
 We shared it all, but not the take

4. Peace and love Lennon's goodbye  
 Over now living in time  
 Broken bell, a nurs - ery rhyme  
 Deserted by heroes, strangers in your own land  
 No way to deny you, no way to deny you peace and love  
 (intro riff)

5. I took the role, I took the oath,  
 I took it all till I had most  
 I took what's left I gave it breath
