

Neil Young - The Losing End

Tom: G

Intro: G G G G G

I went into town to see you yesterday

But you were not home.

So I talked to some old friends for a while

before I wandered off alone.

It's so hard for me now

But I'll make it somehow,

Though I know I'll never be the same.

Won't you ever change your ways,

It's so hard to make love pay

When you're on the losing end,

And I feel that way again.

And I feel that way again.

Well, I miss you more than ever,

Since you've gone I can hardly maintain.

Things are different round here every night,

My tears fall down like rain.

It's so hard for me now

But I'll make it somehow,

Though I know I'll never be the same.

Won't you ever change your ways,

It's so hard to make love pay

When you're on the losing end,

And I feel that way again.
