

# Neil Young - Tonight's the Night

Tom: G

D                                   C                                   D                                   C  
 Tonight's the night,                   tonight's the night,  
 D                                   C                                   D                                   C  
 tonight's the night,                   tonight's the night,  
 D

1. Bruce Berry was a workin' man,  
 he used to load that Econoline Van.  
 A sparkle was in his eyes, but his life was in his hand.  
 Well, late at night when the people were gone,  
 he used to pick up my guitar,  
 and sing a song in a shaky voice  
 that was real as the day was long.      REFRAIN

D

2.    Early in the mornin' at the break of day,  
 he used to sleep until the afternoon.  
 If you never heard him sing,  
 I guess you won't too soon.  
 'Cause people, let me tell you,  
 it sent a chill up and down my spine  
 when I picked up the telephone  
 and heard that he died out on the mainline.   REFRAIN

D

3.    Bruce Berry was a workin' man,  
 he used to load that Econoline Van.  
 But early in the mornin', just about the break of day,  
 he used to sleep until the afternoon.   REFRAIN (3x)...

## Acordes
