

Neil Young - War Song

Tom: C
Intro: D A C G D

In the mornin' when you wake up
you've got planes flyin' in the sky.
Flying bombs made to break up
all the lights in your eyes
There's a man who says he can put an end to war.
They shot George Wallace down, he'll never walk around,
mines are sleepin' in the sea.
Blow those bridges down and burn that jungle down,

F7M D
kill those Vietnamese.

Guitar solo:
D A C G (x2)

There's a man who says he can put an end to war.
In the mornin' when you wake up
