When you dance, do your senses tingle
 Then take a chance
 In a trance, while the lonely mingle
 With circumstance
 I've got something to tell you
 You made it show
 Let me come over
 I know you know
 When you dance,

I can really love
 I can love, I can really love
 I can really love
 I can love, I can really love
 I can really love
 Like a mountain that's growing
 A river that rolls
 Let me come over
 I know you know
 When you dance,
 I can really love
