

# Nelly Furtado - Explode

Tom: C

Am  
Vera's face burnt as a memory of bedroom fun  
G  
With a lighter and some hairspray  
Smoking in the girls' room  
Am  
Not worse than Shelley's rape behind the McDonald's  
G  
By a man she thought was fine, didn't tell anybody  
Am  
Or maybe back then we just thought that she was getting some  
G  
Now we look back and see that she didn't know how  
Am  
We never thought that we'd get caught up  
G  
Stuck in the teenage waste

Dm Am G

As we explode

Dm Am G

As we explode

Am  
G  
Then getting drunk in the bushes by the road outside the Kmart  
Am  
Rolling around in them to see if you would get prickled

Slip the acid on your tongue roof top mall parkade  
We couldn't get enough

Am  
G  
Then count the stars and the ten million woes  
G  
Just you and the universe judging each other  
Am  
G  
We never knew that we'd get caught up  
G  
Stuck in the teenage waste

Dm Am G

As we explode

Dm Am G

As we explode

Dm Am G

As we explode

Dm Am G

As we let go

Am  
It's a fight, it's a fight and you finally belong  
G  
Got a shiner now and it's more than a battle scar  
More than a battle scar, such a good, good story to tell  
Am  
At lunch break, lunch break, lunch break, lunch break  
Such a good, good story to tell  
G  
You bully, you break, you bully, you break  
You fake, you fake, you fake, you fake  
Am  
G  
You smoke, you toke, you want, you flaunt, you hit it and  
you're in it and it's spinning  
And it's wild  
Am  
G  
We never thought that we'd get caught up  
G  
Stuck in the teenage waste

Dm Am G

As we explode

Dm Am G

As we explode

Dm Am G

As we explode

Dm Am G

G As we let go

Dm  
We're counting the stars  
We're counting the stars  
Am  
G  
We're gonna go far, we're gonna go far  
Dm  
We're counting the stars, we're counting the stars  
Am  
G  
We're not very far, we're not very far  
Dm  
And it's you and me in the open air  
Am  
G  
It's truth or dare, we don't care  
Dm  
We're counting the stars, we're counting the stars,  
Am  
G  
Dm  
we're counting the stars, we're counting the stars
