**G**  
Hey, man, don't look so scared.  
**C**  
You know I'm only testing you out.  
**G**  
Hey man, don't look so angry,  
**C**  
you're real close to figuring me out.  
**G**  
We are a part of a circle.  
**C**  
It's like a mobius strip,  
**G** and it goes round and round until it loses a link. **C**

**G** And there's a shadow in the sky :  
: **D G D G D** :  
and it looks like rain, : -> Refrão  
**G D G D G** :  
and shit is gonna fly once again. :

**G** Hey, man, we look at each other with ample eyes, **C**

**G** so why not some time to discover what's behind your eyes **C**  
**G** I've got so many questions that I want to ask you. **C**  
**G** I am so tired of mirrors- pour me a glass of your wine! **G**

Chorus

**G** I've got a bunch of government cheques at my door. **C**  
**G** Each morning I try to send them back  
**C** but they only send me more.  
**G** I look at myself in the mirror; am I vital today? **C**  
**G** Hey, man, I let my conscience get in the way! **G**

Chorus

**G** and I don't mean to rain on your parade, **D G D G**  
**G** but pathos has got me once again... **D G D G**  
**G** and I don't want ambivalence no more.... **D G D G**
