Tom: G  
Intro: G G G G D G D G

G  
Hey, man, don't look so scared.  
C  
You know I'm only testing you out.  
G  
Hey man, don't look so angry,  
C  
you're real close to figuring me out.  
G  
We are a part of a circle.  
C  
It's like a mobius strip,  
G  
and it goes round and round until it loses a link.

G  
And there's a shadow in the sky :  
D G D G D :  
and it looks like rain, : -> Refrão  
G D G D G :  
and shit is gonna fly once again. :

G  
Hey, man, we look at each other with ample eyes, C

G C  
so why not some time to discover what's behind your eyes  
G C  
I've got so many questions that I want to ask you.  
G C G  
I am so tired of mirrors- pour me a glass of your wine!

Chorus

G C  
I've got a bunch of government cheques at my door.  
G  
Each morning I try to send them back  
C  
but they only send me more.  
G C  
I look at myself in the mirror; am I vital today?  
G C G  
Hey, man, I let my conscience get in the way!

Chorus

G D G D G  
and I don't mean to rain on your parade,  
G D G D G  
but pathos has got me once again...  
G D G  
and I don't want ambivalence no more....
