

Nelly Furtado - Miracles

Tom: **F**

Dm
Turn every tear on my face to gold

Am
Make the skin on the back of my neck turn cold

Am
Need to feel my bare feet on your road

Am
I will never again walk alone

Dm
If you question my faith, I'd still believe

Bb
Put a knife in my heart I wouldn't bleed

Dm
This is brand new air that I'm breathing

Am
I'm breathing

Dm
Show me all of your miracles,

Bb
I'm totally inside your waterfall

Dm
Never felt something this real before

Dm
I believe in all your miracles

Dm
Take me up, to the place you live

Am
I know that, you've got so much more to give

Am
I know that, you're not meant to worship

Am
But I'm losing my sense of control

Dm
If you question my faith, I'd still believe

Bb
Miracles!

I need this air so desperately

Am
So I can breathe

Dm
Show me all of your miracles,

Bb
I'm totally inside your waterfall

Dm
Oh, never felt something this real before

Bb
I believe in all your miracles

Dm
I feel it in my heart and my mind

Am
And my body and soul

Dm
I feel all your power and I'm losing all control

Bb
And I'm weightless, this space is divine

Am
divine, divine

Dm
Show me all of your miracles,

Bb
I'm totally inside your waterfall

Dm
Oh, never felt something this real before

Bb
I believe in all your miracles

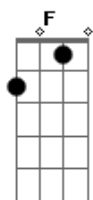

Dm
I wanna feel all your miracles

Am
In my mind, in my body and soul

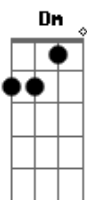

Dm
I wanna feel all your miracles, oh, oh, oh, whoa

Bb
Miracles!
