I'm not that good at putting out Tab..... but I gave it a shot. This Chord Pattern is played pretty much through the whole song. There might be other parts but i havn't got them figured out yet. Once I do

Acordes

though I will enlighten you. Peace....

Intro: (And I think pretty much the majority of the song)

Then just repeat that same chord pattern but without the "X-X-X" at the beginning. Listening to the track really helps.
