

# Nelly Furtado - What I Wanted

Tom: D

I turned my head away  
 Didn't wanna hear what you said  
 You had changed your mind

I showed up insecure  
 But I thought you would be sure  
 I guess I had a lost sight

But at the end of my life  
 I'll look back on my life  
 I'll know that my life was good  
 At the end of my life  
 I'll look back on my life  
 See I went after you like I should

I went after what I wanted  
 I went after what I wanted  
 And I never really got it  
 But it don't matter at all

I guess it was a lot  
 To ask for these things we'd lost  
 I guess it was just a dream  
 And time changes many things  
 But my heart it still sings  
 For you, I don't know why

But at the end of my life  
 I'll look back on my life

I'll know that my life was good  
 At the end of my life  
 I'll look back on my life  
 See I went after you like I should

I went after what I wanted  
 I went after what I wanted  
 And I never really got it  
 But it don't matter at all

I thought I'd spend my last days  
 Holding your hand  
 Now all of my senses lie here dead on the floor  
 But at the end of my life  
 I'll look back on my life  
 I'll know that my life was good  
 At the end of my life  
 I'll look back on my life  
 See I went after you like I should

I went after what I wanted  
 I went after what I wanted  
 And I never really got it  
 Everything else I lost it  
 I went after what I wanted  
 I went after what I wanted  
 And the rest don't really matter  
 It don't matter at all

It don't matter at all
