

Nelson Cavaquinho - História de Um Valente

tom:

Intro: Dm7 F E7 A7 Dm7

Quem diz, não mente

Na mão de um fraco

Sempre morre um valente

Sou daquele tempo do Brancura

Que os fracos mandavam

Os fortes para a sepultura

Quem diz, não mente

Na mão de um fraco

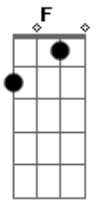

Sempre morre um valente

Quando eu fui pra Mangueira

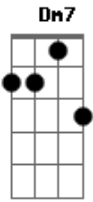

Noel dizia

"O revolver veio pra acabar com a valentia"
