tom:

Intro: **Dm** **Gm** **Dm** **A7** **Dm** **D7** **Gm** **Dm** **F7** **Bb** **A7** **Dm**

Quem tem saudade não está sozinho

Tem o carinho da recordação

Por isso quando estou mais isolado

Estou bem acompanhado com você no coração

D
Um sorriso

Um abraço e uma flor

Tudo é você na imaginação

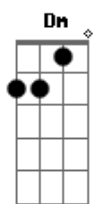

Serpentina ou confete, carnaval de amor

Tudo é você no coração

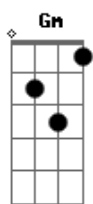

Você existe como um anjo de bondade

E me acompanha nesse frevo de saudade
