

Nelson Gonçalves - A Voz do Seresteiro

tom: Dm

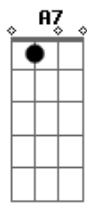

Violão , violão
 Tocando pra mim Bem embaixo da janela
 Violão, violão
 Tocando pra mim
 Vem trazer lembranças dela
 Violão , não toque assim
 Não aumente esta mágoa
 Violão, violão
 Tem pena de mim
 Que tenho os olhos rasos d'água

Os velhos tempos
 De seresta
 De madrugada
 Sempre em festa
 Quando eu cantava
 Outra saudade
 Mas nessa hora
 Que a saudade
 É só minha
 Violão, violão
 Não tenho alegria
 Minha voz esta vazia
