

Nelson Gonçalves - Minha Rainha

Tom: Eb

Um dia você vai pensar direito

E vai procurar um jeito

Para me pedir perdão

É bem melhor, você pensar agora

Antes de chegar a hora

Da nossa separação

Eu já derramei um rio de lágrimas

Muitas vezes chorei minhas magoas

Só porque, eu te amo demais

Olha amor dediquei a você

Minha vida inteirinha

Do meu sonho de amor

Fiz você a rainha

E você vem falando em separação, meu amor

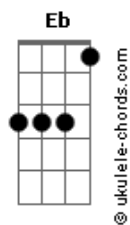

Olha amor antes que seja tarde o arrependimento

Eu não quero ouvir mil desculpa lamento

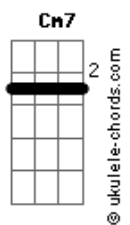

Porque tudo que eu fiz

Foi pra te ver feliz
