

# Nelson Gonçalves - Minha Rainha

Tom: Eb

**Cm7** **Cm** **Fm**  
Um dia você vai pensar direito

**G7**  
E vai procurar um jeito

**Cm7** **Dm7** **G7**  
Para me pedir perdão

**Cm7** **Cm** **Fm**  
É bem melhor, você pensar agora

**G7**  
Antes de chegar a hora

**Cm7** **C7**  
Da nossa separação

**Fm** **Gb** **Cm7**  
Eu já derramei um rio de lágrimas

**Cm7** **Ab7**  
Muitas vezes chorei minhas magoas

**G7** **Cm** **C7**

Só porque, eu te amo demais

**Fm** **Bb**  
Olha amor dediquei a você

**Eb7**  
Minha vida inteirinha

**Ab7**  
Do meu sonho de amor

**Db7** **G7**  
Fiz você a rainha

**Cm7** **C7**  
E você vem falando em separação, meu amor

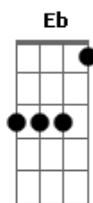

**Fm7** **Bb** **Eb7**  
Olha amor antes que seja tarde o arrependimento

**Ab7** **Db7** **G7**  
Eu não quero ouvir mil desculpa lamento

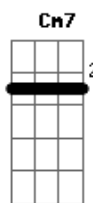

Porque tudo que eu fiz

**Cm7**  
Foi pra te ver feliz
