

Nengo Vieira - Yes, I Know

tom:

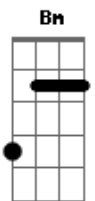

Intro: Bm E7 G D
Bm E7 G D

Yes, I know

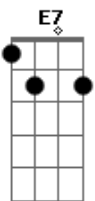

When I get this feeling
The King's Spirit leads my soul
Cause I know
I always desire Him
Nothing's gonna steal my mind
I know
Since I've got this feeling
Never more I'll be alone
Where I God
I am ready to be with God
Lord's light shines on my path
Two hearts united
Keeping good feelings
Beating together
Every single minute
Yes, I know
When I get this feeling
Angels never let me fall
Cause I know
The high price of salvation
Was consummated on the cross
I know
Blessings are reserved
If I love the life I live

'Cause I know
Jesus Christ is love, but He's too
Strong as a fierce Lion
Two hearts united
Keeping good feelings
Beating together
Every single minute
Lord I wanna see your face
I've waited for so long
God I wanna rest in your arms
I wanna show you love, show love
I know
When I get this feeling
The Father's Spirit leads my
soul
'Cause I know
I always desire him
Nothing's gonna steal my dreams
I know
Since I've got this feeling
Never more I'll be alone
Where I go
I often give thanks for being
A new man cause he set me free
Two hearts united
Keeping good feelings
Beating together
Every single minute
