

Neon Trees - Everybody Talks

Tom: Eb

(com acordes na forma de Capotraste na 1ª casa D)

Hey baby won't you look my way
 I can be your new addiction
 Hey baby what you gotta say?
 All you're giving me is fiction
 I'm a sorry sucker and this happens all the time
 I found out that everybody talks
 Everybody talks, everybody talks

Refrão:

It started with a whisper
 And that was when I kissed her
 And then she made my lips hurt
 I could hear the chit chat
 Take me to your love shack
 Mamas always gotta back track
 When everybody talks back
 Hey honey you could be my drug
 You could be my new prescription
 Too much could be an overdose
 All this trash talk make me itchin
 Oh my mouth Yeah
 Everybody talks, everybody talks
 Everybody talks, too much

Refrão:

It started with a whisper
 And that was when I kissed her
 And then she made my lips hurt
 I could hear the chit chat

Take me to your love shack
 Mamas always gotta back track
 When everybody talks back
 Never thought I'd live
 To see the day
 When everybody's words got in the way
 Solo: D D

Hey sugar show me all your love
 All you're giving me is friction
 Hey sugar what you gotta say?

Refrão:

It started with a whisper
 And that was when I kissed her
 And then she made my lips hurt
 I could hear the chit chat
 Take me to your love shack
 Mamas always gotta back track
 When everybody talks back
 Everybody talks
 Everybody talks
 Everybody talks
 Everybody talks
 Everybody talks
 Everybody talks...back

It started with a whisper
 And that was when I kissed her
 Everybody talks
 Everybody talks...back
