

# Neon Trees - Wish List

Tom: G  
Intro: G G2 G G2

Verso 1: G G2 G G2  
I've had a fire burnin'  
Since the holidays began  
I hear it's cold out where you're livin'  
But any colder than I've been?

I've been an animal since you left me  
I need you wrapped under my tree  
My Christmas cheer is here and ready  
But where are you to set it free

I sit alone

Outside the snow is falling, and I'm singing
