

Nessa Barrett - Dying On The Inside

Am tom: More confident

You're lucky you're pretty
Why are you obsessed

With your appearance?

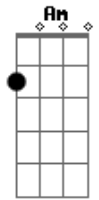

I don't wanna hear it, you're fine

[Refrão]

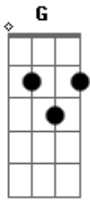

Am Beauty is a knife
I've been holding by the blade
Swallowing my pride so

Dm I won't eat anything
It's all a lie, honestly
C It's eating me alive
They're all like
Am Did you change your hair?
G Did you lose a little weight?
Dm You should keep it up
Dm 'Cause it really looks great
C I hate that I always look my best
