

Nessa Barrett - ?Keep Me Afraid

tom:
 Cm (forma dos acordes no tom de Am)
 Capostrate na 3ª casa

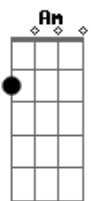

I'm in the corner of your cage
 Mascara running down my face
 The door is open but I'll stay
 You think you can keep me
 And keep me afraid
 Your twisting screws inside my head
 I won't just lie down and play dead
 Take a good look at my face
 You think you can keep me
 Scared to fall asleep at night
 When you're by my side
 I don't know why
 It doesn't feel right
 Hide behind your poker face
 You do it everyday
 I know you're lying
 So I fake a smile
 Ah
 'cause in the end (the end)
 I know you'll get (you get), everything you gave
 I'm in the corner of your cage
 Mascara running down my face
 The door is open, but I stay
 You think you can keep me
 And keep me afraid
 Your twisting screws inside my head
 I won't just lie down and play dead

Take a good look at my face
 You think you can keep me
 But I'm not afraid
 Da, da-da, da-da, da-da, da-dum
 Da, da-da, da-da, da-da, da-dum, dum
 Better hope and plead and pray
 I keep your secret safe
 You better run
 'cause I got the gun
 I don't need receipts to show
 The things that we both know
 'cause I got the scars
 To prove who you are
 Ah
 'cause in the end (the end)
 I know you'll get (you get)
 Everything you give
 I'm in the corner of your cage
 Mascara running down my face
 The door is open, but I'll stay
 You think you can keep me
 And keep me afraid
 Your twisting screws inside my head
 I won't just lie down and play dead
 Take a good look at my face
 You think you can keep me
 But I'm not afraid
 Da, da-da, da-da, da-da, da-dum
 Da, da-da, da-da, da-da, da-dum, dum
