

Neutral Milk Hotel - Ghost

Tom: E

^E
 Ghost, ghost I know you live within me
 Feel as you fly
 In thunderclouds above the city
 Into one that I

^A
 Loved with all that was left within me
 Until we tore in two

^E
 Now wings and rings and there's so many
 Waiting here for you ^{B A E}

Refrão:

^E
 And she was born in a bottle rocket, 1929
 With wings that ring around a socket

Right between her spine ^A

^A
 All drenched in milk and holy water

Pouring from the sky ^E

^E
 I know that she will live for ever

She won't ever die ^B

^B
 She goes and now she knows she'll never be afraid ^E

^B
 To watch the morning paper blow

Into a hole where no one can escape ^E

^{A E}
 Dee, de de de de...

Ponte:

^{A E A E B A E}

^E
 And one day in New York City baby
 A girl fell from the sky
 From the top of a burning apartment building

Fourteen stories high ^A

^A
 And when her spirit left her body

How it split the sun ^E

^E
 I know that she will live for ever
 All goes on and on and on and

Refrão:

^B
 She goes and now she knows she'll never be afraid ^E

^B
 To watch the morning paper blow

Into a hole where no one can escape ^E

^{A E}
 Dee, de de de de...
