

Neutral Milk Hotel - Oh Comely

Tom: G

Oh comely
 I will be with you when you lose your breath
 Chasing the only meaningful memory you thought you had left
 With some pretty bright and bubbly terrible scene
 That was doing her thing on your chest
 But oh comely
 It isn't as pretty as you'd like to guess
 In your memory you're drunk on your autonomy
 It doesn't mean anything at all

Oh comely
 All of your friends are letting you blow
 Bristling and ugly
 Bursting with fruits falling out from the holes
 Of some pretty bright and bubbly friend
 You could need to say comforting things in your ear
 But oh comely
 There isn't such one friend that you could find here
 Standing next to me
 He's only my enemy
 I'll crush him with everything i own
 Say what you want to say
 And painful your always moving your mouth
 To pull out all your miracles away for me

Your father made fetuses
 With flesh licking ladies
 While you and your mother
 Were asleep in the trailer park

Thunderous sparks from the dark of the stadiums
 The music and medicine you needed for comforting
 So make all your fat fleshy fingers to moving
 And pluck all your silly strings
 And bend all your notes for me
 Soft silly music is meaningful magical
 The movements were beautiful
 All in your ovaries
 All of them milking with green fleshy flowers
 While powerful pistons were sugary sweet machines
 Smelling of semen all under the garden
 Was all you were needing when you still believed in me

(da da da part)
 I know they buried her body with others
 Her sister and mother and 500 families
 And will she remember me 50 years later
 I wished i could save her in some sort of time machine
 Know all your enemies
 We know who are enemies are
 (Am E) (3x)

Goldaline my dear
 We will fold and freeze together
 Far away from here
 There is sun and spring and green forever
 But now we move to feel
 For ourselves inside some stranger's stomach
 Place your body here
 Let your skin begin to blend itself with mine
