

NeverShoutNever - 30 days

Tom: A

30 days till Christmas and all I know
 Is I'm not quite ready to let go of this past year
 I have so much to show
 One more month and all I need
 Is a sign from you, that you think of me
 If you don't, than please just say so
 Cause all I do, is think of you
 And it's wearing me out, it's wearing me down
 This holiday, is nothing but frowns for me
 But I've got a gift, you see
 I'm making a list, hell, I'll check it twice
 Of all the things you've done in my life
 And I'll send it your way
 So you see why I love you

 Who would've thought that someone like me
 Could've fallen in love so easily
 E

I know that you know that I know what I want
 I know I can't have it but give it a thought
 I know that it sounds crazy, baby
 But all I do is think of you
 A
 And it's wearing me out, it's wearing me down
 This holiday, is nothing but frowns for me

 But I've got a gift, you see

 I'm making a list, hell, I'll check it twice
 Of all the things you've done in my life

 And I'll send it your way

 So you see why I love ?
 D
 Everything you through my way
 A
 I know it's hard to say, but it's a crying shame
 Bm
 That I came all this way, with so much to say
 E
 But all that came out was "happy holiday"
 D
 A home cooked meal and a nice warm bed
 A
 Somebody who love a place to lay my head
 Bm
 But I got 30 days and I'ma make them count
 E
 Cause I can't call it Christmas without someone to smile about
