

NeverShoutNever - 30 days

Tom: A

A
30 days till Christmas and all I know
E
Is I'm not quite ready to let go of this past year Bm
D
I have so much to show
A
One more month and all I need
E
Is a sign from you, that you think of me Bm D
If you don't, than please just say so Bm E
Cause all I do, is think of you A
And it's wearing me out, it's wearing me down Bm D
This holiday, is nothing but frowns for me E
But I've got a gift, you see A
I'm making a list, hell, I'll check it twice Bm D
Of all the things you've done in my life Bm
And I'll send it your way E
So you see why I love you A E Bm D
A
Who would've thought that someone like me
E
Could've fallen in love so easily

I know that you know that I know what I want
I know I can't have it but give it a thought Bm
I know that it sounds crazy, baby D
But all I do is think of you
A
And it's wearing me out, it's wearing me down Bm D
This holiday, is nothing but frowns for me E
But I've got a gift, you see A
I'm making a list, hell, I'll check it twice Bm D
Of all the things you've done in my life Bm
And I'll send it your way E
So you see why I love ? E
D
Everything you through my way A
I know it's hard to say, but it's a crying shame Bm
That I came all this way, with so much to say E
But all that came out was "happy holiday" D
A home cooked meal and a nice warm bed A
Somebody who love a place to lay my head Bm
But I got 30 days and I'ma make them count E
Cause I can't call it Christmas without someone to smile about A
